2008-MAP-1	ARF MS 45		Numbers ranging from 1-108 can be found throughout this map and in the margins written in red and green pencil. Numbers 14, 50, and 56 are circled in blue pencil. These numbers do NOT correlate to sites from the site records. "Melones" is written in red pencil and marked on the map.	Big Trees Quadrangle	USGS
2008-MAP-10			There are pencil line both solid and dashed drawn throughout this map. Numbers 1-10 are marked on the map in red pencil in two different areas, and 25-35 are marked on the map in red pencil only once. The numbers 5-17 and 46-63 are marked on the map in gray pencil. The letter L-R along with "AA, AC?, AE, AF, AH AG" are marked on the map in pencil. These sites do NOT correspond with Ca-Hum-1-63 in the site records.	Blue Lake Quadrangle	USGS
2008-MAP-100			"La Porte Rd" is handlabeled on map. Notes on map: "Eule Ranch ??? sites" "Robinson ??? Rd" "Harry Glawey lives here knows of burrial gd (?)" "x-5 campsite ob??? chips Rt ????"	Bangor Quadrangle	USGS

2009-MAP-3021		S-15	Label adhered to bottom right corner back of map which reads "UCAS Plan and profile of Putah Creek from a point 2 miles above Winters to Middletown, California. Dam Sites." Labeled S15 from the ARF/UCAS S-series. S-series believed to be site related.	Plan and Profile of Putah Creek	USGS
2009-MAP-3022		S-14	Labeled S-14 on back of map from the ARF/UCAS S-series. S-series believed to be site related. Numbered "Map 2 of 2," paired with Putah Creek Sheet 6 map (2009-MAP-3026)	Plan and Profile of Putah Creek	USGS
2009-MAP-3023		G-20	Labeled on back of map G-20, from the ARF/UCAS G-series. G-series believed to be geological information.	Plan and Profile of Putah Creek	USGS

Reference Number	MS #	MS Map #	General Notes	Map name	Publisher or Author
2009-MAP-3024		G-19	Labeled on back of map G-19, from the ARF/UCAS G-series. G-series believed to be geological information.	Plan and Profile of Putah Creek	USGS
2009-MAP-3025		G-18	Labeled on back of map G-18, from the ARF/UCAS G-series. G-series believed to be geological information. Although the two dams on this map are in Lake County, the majority of Putah Creek is in Napa County.	Plan and Profile of Putah Creek	USGS
2009-MAP-3026		S-14	Label adhered to bottom right corner back of map reads "UCAS Plan and profile of Putah Creek, from a point 2 miles above Winters to Middletown, California. Dam sites. Sheet 2, 6." Labeled "S-14, map 1 of 2," paired with Putah Creek Sheet 2 (2009-MAP-3022). ARF/UCAS S-series believed to be site related.	Plan and Profile of Putah Creek	USGS
2009-MAP-3027		G-22	Labeled "G-22 1 of 6" from the ARF/UCAS G-series. G-series believed to be geologic information.	Plan and profile of Klamath River, California and Oregon (below Keno)	USGS
2009-MAP-3028		G-22	Labeled "G-22 2 of 6" from the ARF/UCAS G-series. G-series believed to be geologic information.	Plan and profile of Klamath River, California and Oregon (below Keno)	USGS
2009-MAP-3029		G-22	Labeled "G-22 3 of 6" from the ARF/UCAS G-series. G-series believed to be geologic information.	Plan and profile of Klamath River, California and Oregon (below Keno)	USGS
2009-MAP-303				Dry Creek Quadrangle	USGS
2009-MAP-3030		G-22	Labeled "G-22 4 of 6" from the ARF/UCAS G-series. G-series believed to be geologic information.	Plan and profile of Klamath River, California and Oregon (below Keno)	USGS
2009-MAP-3031		G-22	Labeled "G-22 5 of 6" from the ARF/UCAS G-series. G-series believed to be geologic information.	Plan and profile of Klamath River, California and Oregon (below Keno)	USGS

Reference Number	MS #	MS Map #	General Notes	Map name	Publisher or Author
2009-MAP-3032		G-22	Labeled "G-22 6 of 6" from the ARF/UCAS G-series. G-series believed to be geologic information.	Plan and profile of Klamath River, California and Oregon (below Keno)	USGS
2009-MAP-3033		S-13	Labeled "S13" from the ARF/UCAS S-series. S-series believed to be site related. Label adhered to bottom right corner back of map reads "UCAS Plan and profile of Klamath River, California and Oregon (Below Keno); Scott River to Mile 22; Trinity River to South Fork; Salmon River and South Fork to Grizzly Creek; North Fork of Salmon River to Russian Creek; and South Fork of Smith River, California	Plan and profile of Klamath River, California and Oregon (below Keno)	USGS
2009-MAP-3034		S-1	Sites marked by numbered dots, some preprinted, some in pencil. There are also numbered boxes/areas on map: 1-45. Detailed section (including Sonoma, Marin, Napa, Yolo, Solano, Sacramento, San Joaquin, Contra Costa, Alameda, Santa Clara, San Mateo, and San Francisco counties) is taped onto map. Label adhered to back of map which reads: "UCAS California County Outline map With archaeological sites marked" Labled "S1" from the ARF / UCAS S-Series. S-Series believed to be site related.	County Outline State Map	Rand McNally
2009-MAP-3035			Notes in margin: "Missing C92, C149, C152 on up, S14, S39, S106 & up, S101 = Wamser 1, 2 or 3? (Also indicated on the map, Sacto County) Cancelled by Scenck C.28" Majority of map illustrates the Central Valley. There are 2 smaller maps illustrating the SF Bay Area and the Napa Valley. Sites marked on the Napa Valley map all begin with "N", which must indicate they are in Napa County; when checked against another map of Napa the site numbers match.	Untitled Map of Northern California including the San Francisco Bay area, Sacramento/Central Valley, and Napa Valley

A note under the key reads, "Dashed lines show the protraction by the Bureau of Land Management of unsurveyed areas in the rectangular system of surveys." Sheet 2 of 8 Map Sheets	General Highway Map; Nye County, Nevada	Nevada State Highway Department Planning Survey
2010-MAP-496			Scale in miles, compass, and legend provided. A key labeled "Key to Counties and County Sheet Numbers" is also provided. A note between the legend and the key reads, "Dashed lines show the protraction by the Bureau of Land Management of unsurveyed areas in the rectangular system of surveys." Sheet 3 of 8 Map Sheets	General Highway Map; Nye County, Nevada	Nevada State Highway Department Planning Survey
2010-MAP-497			Scale in miles, compass, and legend provided. A key labeled "Key to Counties and County Sheet Numbers" is also provided. A note at the bottom left hand corner reads, "Dashed lines show the protraction by the Bureau of Land Management of unsurveyed areas in the rectangular system of surveys." Sheet 4 of 8 Map Sheets	General Highway Map; Nye County, Nevada	Nevada State Highway Department Planning Survey
2010-MAP-498			Scale in miles, compass, and legend provided. A key labeled "Key to Counties and County Sheet Numbers" is also provided. A note at the bottom left hand corner reads, "Dashed lines show the protraction by the Bureau of Land Management of unsurveyed areas in the rectangular system of surveys." Sheet 5 of 8 Map Sheets	General Highway Map; Nye County, Nevada	Nevada State Highway Department Planning Survey
2010-MAP-499			Scale in miles, compass, and legend provided. A key labeled "Key to Counties and County Sheet Numbers" is also provided. A note at the bottom center reads, "Dashed lines show the protraction by the Bureau of Land Management of unsurveyed areas in the rectangular system of surveys." Sheet 6 of 8 Map Sheets	General Highway Map; Nye County, Nevada	Nevada State Highway Department Planning Survey

Reference Number	MS #	MS Map #	General Notes	Map name	Publisher or Author
2010-MAP-5			On the back of the map is general information about topographic maps of the United States, as well as a chart of Standard Symbol, including: Culture, Relief, Water, and Woods. Left margin has written: 170, 76, 78, 79, but there are no sites marked with these numbers.	Folsom Quadrangle	USGS
2010-MAP-50			Site labeled as "26-Min-X1". "11" written under "X1", assumed NV-Mi-11. Site labeled as "26-Mi-X2". "10" written under "X2", assumed NV-Mi-10.	Nevada-California Hawthorne Quadrangle	USGS
2010-MAP-500			Scale in miles, compass, and legend provided. A key labeled "Key to Counties and County Sheet Numbers" is also provided. A note at the bottom left-hand corner reads, "Dashed lines show the protraction by the Bureau of Land Management of unsurveyed areas in the rectangular system of surveys." Sheet 7 of 8 Map Sheets	General Highway Map; Nye County, Nevada	Nevada State Highway Department Planning Survey
2010-MAP-501			Scale in miles, compass, and legend provided. A key labeled "Key to Counties and County Sheet Numbers" is also provided. A note at the bottom left-hand corner reads, "Dashed lines show the protraction by the Bureau of Land Management of unsurveyed areas in the rectangular system of surveys." Sheet 8 of 8 Map Sheets	General Highway Map; Nye County, Nevada	Nevada State Highway Department Planning Survey
2010-MAP-502			Scale in miles, compass, and legend provided. A key labeled "Key to Counties and County Sheet Numbers" is also provided. A note at the bottom center reads, "Airways and road types on the improved State Highway System as of Dec. 31, 1948." The map itself has four different sections: One is unlabeled and seems to contain the bulk of the information; the other three are labeled (going clockwise starting from the left) "New Empire Area," "Stewart Area," and "Sketch SHowing Mileage and Route Numbers," all with their own scale in feet. Sheet 1 of 1 Map Sheet	General Highway Map; Ormsby County, Nevada	Nevada State Highway Department
2010-MAP-503			"Bascom" is written in the lower right corner	Oroluk Lagoon & Oroluk Anchorage	Hydrographic Office, U.S. Navy

Reference Number	MS #	MS Map #	General Notes	Map name	Publisher or Author
2010-MAP-504			Scale in miles, compass, and legend provided. A key labeled "Key to Counties and County Sheet Numbers" is also provided. A note above the compass reads, "Dashed lines show the protraction by the Bureau of Land Management of unsurveyed areas in the rectangular system of surveys." Sheet 1 of 2 Map Sheets	General Highway Map; Pershing County, Nevada	Nevada State Highway Department, Planning Survey Division
2010-MAP-505			"Bascom" is written in the lower right corner Shows map locations for: Ngatik (Nachikku) Islands Nukuoro (Nugoru) Islands Kapingamarangi (Greenwich) Islands Gaferut (Grimes) Island Faraulep (Furaarappu) Islands Nukuoro (Nugoru) Passage Lamotrek (Namochikku) and Elato (Erato) Islands Lamotrek (Namochikku) Islands	Plans in the Caroline Islands	Hydrographic Office, U.S. Navy
2010-MAP-506			Scale in miles, compass, and legend provided. A key labeled "Key to Counties and County Sheet Numbers" is also provided. A note above the compass reads, "Dashed lines show the protraction by the Bureau of Land Management of unsurveyed areas in the rectangular system of surveys." Sheet 2 of 2 Map Sheets	General Highway Map; Pershing County, Nevada	Nevada State Highway Department, Planning Survey Division
2010-MAP-507			"Bascom" is written twice, in the lower right corner and also on the back Also shows Ngatik Islands Entrance to Lagoon	Ngatik Islands, Marshall Islands	Hydrographic Office, U.S. Navy
2010-MAP-508			Scale in miles, compass, and legend provided. Two keys labeled "Key to Counties and County Sheet Numbers" and "Key to Supplemental Quadrangle Maps at a Scale of 1" = 2640' " are also provided. The map itself has two sections; one is unlabeled and seems to carry the overall information; the other section is labeled "Virginia City Area" and seems to cover more detailed information. This section has its own scale in feet. Sheet 1 of 1 Map Sheet	General Highway Map; Storey County, Nevada	Nevada State Highway Department, Planning Survey Division

Reference Number	MS #	MS Map #	General Notes	Map name	Publisher or Author
2010-MAP-509			Scale in miles, compass, and legend provided. A key labeled "Key to Counties and County Sheet Numbers" is also provided. A note under the scale reads, "Airways and road types on the improved State Highway System as of December 31, 1949." The map itself has two sections; one is unlabeled and seems to carry the overall information; the other section is labeled "Virginia City Area" and seems to cover more detailed information. This section has its own scale in feet. Sheet 1 of 1 Map Sheet	General Highway Map; Storey County, Nevada	Nevada State Highway Department
2010-MAP-51			Sites marked with numbers, assumed full site number. Part of a collection with 2010-MAP-52 through 2010-MAP-59	Petroglyph Sites	
2010-MAP-510			"Dawson copy" is written in the top margin	Ambunti, New Guinea	Army Map Service, Corps of Engineers, U.S. Army, overprint by Australian Survey Corps
2010-MAP-511			Scale in miles, compass, and legend provided. Two keys labeled "Key to Counties and County Sheet Numbers" and "Key to 15' Quadrangle Maps" are also provided. A note at the bottom center reads, "The county boundary lines on this sheet have been revised to incorporate all changes made by the Nevada Legislature up to and including the 1969 session." Sheet 1 of 3 Map Sheets	General Highway Map; Washoe County, Nevada	Nevada State Highway Department, Planning Survey Division
2010-MAP-512				May River, New Guinea	Royal Australian Survey Corps
2010-MAP-513				Sepik, New Guinea	Royal Australian Survey Corps
2010-MAP-514			Scale in miles, compass, and legend provided. A key labeled "Key to Counties and County Sheet Numbers" is also provided. Sheet 2 of 3 Map Sheets	General Highway Map; Washoe County, Nevada	Nevada State Highway Department, Planning Survey Division
2010-MAP-515			Scale in miles, compass, and legend provided. A key labeled "Key to Counties and County Sheet Numbers" is also provided. Sheet 3 of 3 Map Sheets	General Highway Map; Washoe County, Nevada	Nevada State Highway Department, Planning Survey Division

Reference Number	MS #	MS Map #	General Notes	Map name	Publisher or Author
2010-MAP-516			<p>"M 11-106" is written on the lower right corner</p> <p>"Corrected Through Notice to Mariners No. 5 Feb 2 '46" is stamped in the lower right corner</p> <p>Sth Pacific Fiji Islands. air navig." and "2850" are written on the back in the lower corners</p> <p>"Whole of Fiji not needed" is written on the back along the edge</p> <p>Purple dots mark the map in various locations</p>	Fiji Islands, South Pacific Ocean	Hydrographic Office, U.S. Navy
2010-MAP-517			<p>Scale in miles, compass, and legend provided. A key labeled "Key to Sheets; Mount Diablo Base and Meridian" is also provided. A note under the scale reads, "Airways and road types on the improved State Highway System shown as of Dec. 31, 1938."</p> <p>Sheet 2 of 4 Map Sheets</p>	General Highway Map; White Pine County, Nevada	Nevada State Highway Department
